Outdoor Entertaining

Built In Robes

Immaculately presented and perfectly positioned under 2km from the Rutherford Shopping Precinct, we have the perfect family home for you just a hop, skip and a jump from the New England Highway. We love the proximity of the home to both the shops and the easy access to the Valley. Everything is within striking distance and there's a real community feel to the area.

Inside and you are greeted with a perfectly presented living space where the timber-look flooring opens the space up. A bay window perfectly hugs the dining area which flows into the beautifully modern kitchen or through the glass door onto the undercover outdoor entertaining area.

Perfect for the family with three bedrooms and a two-way design in the bathroom which also provides access from the main bedroom to act as an ensuite. After receiving a modern renovation, the bathroom will make your heart happy with stone benches on the vanity, a submersible free standing black bath which seeps luxury and a privacy nib wall hides the WC.

Throughout the whole home, quality is the overwhelming feeling in part thanks to a beautiful kitchen renovation which comprises of stone benches and clean slick lines with gloss finishes and a subway tiled splashback.

The family will enjoy hanging out in the outdoor entertaining area where it will provide for time together. An open yet private space made more inviting by the retained, elevated lawns which cradle the yard to ensure you are not overlooked.

This property is proudly marketed by Pat Howard & Kaitlin Crowe, contact 0408 270 313 or 0423 520 914 for further information or to book your private inspection.

Around Rutherford

When we first started selling in Rutherford at the time that it was first developed, it was originally known as "The Country Estate". Today, while Rutherford is still surrounded by farm holdings the emphasis has shifted to suburban living and buyers are certainly demanding it.

We are finding the modern homes with plenty of room for a growing family are achieving stronger sale prices and these changes in building trends have had an obvious impact on values in Rutherford. Once where the majority of houses were 3 bedroom, one bathroom, we now see a majority of 4 and 5 bedroom homes with plenty of outdoor living. We remember when \$150,000 was a huge price for Rutherford and would get you one of the best houses in the suburb. Now you have to spend around the \$600,000 mark to secure the best properties.

Rutherford is becoming more and more popular and some of the reasons from buyers are:

- Easy access to the Maitland CBD
- Larger homes becoming available in the area
- Ease of access to the Hunter Valley and the mining areas
- Increase in upper end property prices
- Family friendly areas with plenty of park space

We acknowledge the Traditional Custodians of Country throughout Australia and pay respects to their elders past, present and emerging. The suburb of Rutherford falls on the traditional lands of the Mindaribba people.
